

# ORIGO Big Books Year 2 *Clowning Around*

Screen shot from the Teaching Tool for this title

The screenshot shows a digital interface for a teaching tool. At the top left, the title "Clowning Around" is written in a yellow, bubbly font. To the right of the title is a horizontal bar containing five small 2x2 grids of colored squares: green, blue, orange, purple, and green. Below this is a large 7x7 grid. The rows are numbered 1 to 7 on the left side. The columns are labeled "Blue", "Brown", and "Green" at the bottom. The grid contains colored blocks: a blue 7x1 block in the first column, a brown 6x1 block in the second column, and a green 4x1 block in the third column. The rest of the grid is empty. On the right side of the interface, there is a vertical toolbar with icons for a hand, a pencil, and a eraser.
