

# ORIGO Big Books Year K *I Spy*

Screen shot from the Teaching Tool for this title

The image shows a screenshot of an interactive 'I Spy' game. The main area features a colorful illustration of a park scene with a red swing set, a white cow with brown spots, a black tire hanging from the swing set, a yellow crescent moon, a large green tree on the left, and rolling green hills under a blue sky with white clouds. In the top left corner of the illustration, the text 'I SPY' is written in a stylized font. Below the illustration, a white box contains the word 'under' in a simple font. To the right of the illustration is a vertical panel with a yellow background. This panel contains a list of prepositional phrases in white boxes: 'on top of', 'below', 'behind', 'beside', 'left', 'right', 'in front of', 'above', and 'next to'. At the bottom of this panel are several small, dark icons for navigation and interaction.
