

# ORIGO Big Books Year K *I See, You See*

Screen shot from the Teaching Tool for this title

The image shows a digital interface for a 'I See, You See' activity. At the top left, the text 'I SEE, YOU SEE' is written in a bold, black, sans-serif font. In the upper right, a white, fluffy cloud contains the handwritten number '6'. Below the cloud, a green propeller airplane is flying to the right, with a white rectangular card attached to its tail. The card displays a pattern of six red squares arranged in a circle. At the bottom of the screen, there is a toolbar with several icons: a green circle, a red star, a purple square, and a yellow triangle. Below these icons is a larger area with a pattern of orange and purple squares. On the right side of the screen, there are several small, square icons for navigation and editing, including a magnifying glass, a hand, a pencil, and a trash can.
