

# ORIGO Big Books Year 2 *Joe's Carrots*

Screen shot from the Teaching Tool for this title

The screenshot shows a digital teaching tool interface for the book "Joe's Carrots". The main illustration depicts a scarecrow named Joe with red hair and a black hat, standing in a field. To his left is a black dog, and a small brown chicken is visible in the background. In the foreground, there is a row of 12 orange carrots. A sign on the right side of the field reads "15 carrots". The text "Joe's Carrots" is written in the top left corner of the illustration. Below the illustration, a white box contains the mathematical equation  $12 + \_ = 15$ . On the right side of the interface, there is a vertical toolbar with several icons: a carrot, a hand, a pencil, and a eraser. A small inset in the top right corner shows a single carrot and a brown shape, possibly representing a carrot's shadow or a different type of carrot.
