

# ORIGO Big Books Year 1 *The Best Bug*

Screen shot from the Teaching Tool for this title

The screenshot shows a digital interface for the book 'The Best Bug'. The title 'The Best Bug' is displayed in a stylized font at the top left. Below the title are three empty rectangular boxes, each followed by a label: 'Ants long', 'Beetles long', and 'Ladybugs long'. The main area of the interface is a large, light-brown rectangular space representing a field. On the left side of this space, there is a large blue ant with large eyes. At the bottom of the space, a line of small blue ants is shown carrying a purple spherical object. On the right side, there is a vertical orange bar containing three illustrations of insects: a red ladybug with black spots at the top, a blue beetle in the middle, and a small blue ant at the bottom. To the right of this bar is a vertical toolbar with several icons: a circular arrow, a square, a hand, a pencil, and a brush. The entire interface is enclosed in an orange border.
