

## UNDERSTAND

What do I notice?  
What do I wonder?  
How can I estimate?  
What questions can I ask?

## PLAN

What strategy should I use?  
What steps will I take to solve the problem?

# 4 Phases of Problem-Solving

## REVIEW

Does my answer make sense?  
Did I check my work?  
Could someone see how I found my answer?

## SOLVE

How do I apply my strategy?  
Have I shown all of my work?  
Is my voice loud and clear?
