# Second Grade Word Problem Continuum:

\*This is a portion of our continuum. If you are interested in learning more, please contact me.

Second Grade Problem Solving Continuum Timeline with Resources Linked			
	Learning Target	Resources	Timeline
1	I can solve one step single digit change unknown addition problems. (1,2)	<a href="#">CUP single digit NWP</a>	
2	I can solve one step single digit change unknown separating problems. (1,2)	<a href="#">CUP single digit separating NWP</a>	
3	I can solve one step single digit start unknown joining problems. (1,2)	<a href="#">SUP Joining Single Digit NWP</a>	
4	I can solve one step single digit start unknown separating problems. (1,2)	<a href="#">SUP Separating Single Digit NWP</a>	
5	I can solve part part whole unknown problems with single digits. (1,2)	<a href="#">Part Part Whole Unknown Problems Single Digit</a>	
6	I can solve part part (Part Unknown) problems with single digits. (1,2)	<a href="#">Part Part Whole NWP</a>	
7	I can solve single digit comparing problems (difference unknown). (1,2)	<a href="#">Comparing Problems Difference Unknown NWP</a>	
8	I can solve single digit comparing problems (quantity unknown). (1,2)	<a href="#">Comparing Problems NWP</a>	
9	I can solve one step addition and subtraction problems with single digits of any type using data from a pictograph or bar graph. (1,2)	<a href="#">Problem Solving with Graphs NWP</a>	
10	I can solve two step single digit addition/subtraction problems. (2)	<a href="#">Two step single digit addition and subtraction problems</a>	
11	I can solve one step double digit joining problems. (2)	<a href="#">NWP Join Result Unknown Gr. 2</a>	
12	I can solve one step double digit separating problems. (2)	<a href="#">NWP Separate Result Unknown Gr. 2</a>
