

State Funding Opportunities

Michigan

The **MI Kids Back on Track grant funds** (MCL388.1623g) will support programs provided before school, during school, after school, or during the summer. [These funds are designed to address unfinished learning](#), get students to grade-level academic standards, provide additional academic assistance to students at risk of falling behind their peers.

How ORIGO Aligns with the MI Kids Back on Track grant:

- ORIGO supports the implementation of **MI Kids Back on Track grant funds** by providing a variety of supplemental mathematics content that supports the goals of Common Core and other State standards and can be used as part of a high-impact tutoring program. ORIGO Education's supplementary learning resources are designed to support Tier 2 and Tier 3 intervention to help teachers and tutors develop students' mathematical understanding.

Michigan is one of 20 states selected by the U.S. Department of Health and Human Services to receive **Preschool Development Grant – Birth through Five** (PDG B-5) renewal grant. PDG B-5 is a \$250-million competitive federal grant designed to improve states' early childhood landscape by building on existing federal, state, and local early care and learning investments.

How ORIGO Aligns with the MI implementation of PDG B-5 grant:

- ORIGO supports at-risk and low-income children by giving all children, regardless of family incomes, the opportunity and support to achieve early childhood math standards.
- ORIGO provides students with research-based core mathematics content that align with the goals of early childhood mathematics concepts.
